### Fishing operations

This section to be completed by members of the crew who have fulfilled the stated requirements to a satisfactorily level of competence.

Skill/competence requirement	Crew initial	Date
1. I am fully conversant with the variety of fishing operations undertaken by the vessel.		
2. I am aware of the correct procedures and am able to prepare and rig fishing gear for shooting and hauling.		
3. I am able to locate sections of damaged gear and identify the correct actions required to repair it.		
4. I know how and am able to repair fishing gear using correct techniques and safe working practices.		
5. I am aware of, and able to perform the correct procedure in preparing the vessel for receiving the catch and to remove it from the gear once aboard.		

This section to be completed by the authorised person for the vessel [Skipper/Master].

I verify that this person has satisfied vessel requirements concerning fishing operations to an acceptable level of competence, this person works safely as part of the crew when doing so.	Signature	Date

### Catch handling & quality

This section to be completed by members of the crew who have fulfilled the stated requirements to a satisfactorily level of competence.

Skill/competence requirement	Crew initial	Date
1. I am able to prepare the fish for stowage to the required standard.		
2. I know how to chill the fish once stowed to the required temperature.		
3. I am able to prepare stowage areas; stow the catch and maintain an accurate record of the stowed fish.		
4. I use safe working practices and maintain a high standard of hygiene to preserve fish quality during all catch handling operations.		
5. I have been instructed in care of the catch procedures, aimed at maintaining the quality of the catch to the highest possible standard.		

This section to be completed by the authorised person for the vessel [Skipper/Master].

I verify that this person has satisfied vessel requirements concerning catch handling & quality to an acceptable level of competence, this person works safely as part of the crew when doing so.	Signature	Date

### Food & vessel hygiene

This section to be completed by members of the crew who have fulfilled the stated requirements to a satisfactorily level of competence.

Skill/competence requirement	Crew initial	Date
1. I have been instructed and am familiar with the hygiene requirements of the vessel when handling, stowing and landing the catch. I follow hygiene rules of the vessel and maintain the necessary standards required.		
2. I am familiar with and carry out clean down procedures between hauls in all areas of the vessel which have been used in receiving, handling and stowage of the catch.		
3. I am familiar with the full cleaning and rinse down procedures at the end of trip in all areas of the vessel which have been used during fishing activity.		
4. I am aware of and able to follow the correct procedures when using cleaning chemicals and their proper stowage when not in use. I follow the recommended safety advice regarding dilution, application and personal protective equipment when using these cleaning agents.		
5. I am familiar with the full cleaning and rinse down procedures in the stowage areas of the vessel once the catch has been discharged.		

This section to be completed by the authorised person for the vessel [Skipper/Master].

I verify that this person has satisfied vessel requirements concerning food and vessel hygiene to an acceptable level of competence. This person works safely as part of the crew and maintains the necessary standard of hygiene required.	Signature	Date
